# Communities Mobilizing for Change on Alcohol

July 1, 2008 – September 30, 2008

Vendor: Worcester County Health Department – Prevention

## Case Vignette

*Please provide a unique story about the program, and/or a child or family involved in the program, during the previous quarter. This is an opportunity to describe program events, outcomes or achievements which may not be captured in another fashion or by program data.*

December 4, 2008 -- Pictured with the President of the Worcester County Commissioners, Louise Gulyas, and Commissioners Linda Busick and Judy Boggs, are some of the attendees of the 8<sup>th</sup> annual Worcester County Alcohol Licensee and Tobacco Retailer Recognition Breakfast. The 2008 event hosted 61 attendees, of which 23 represented the alcohol or tobacco businesses. These businesses had a server or a cashier who did not sell to a minor upon an attempted buy. Worcester County, in 2008, had 79 alcohol licensees which did not sell to the youth under the age of 21 and 36 tobacco retailers which did not sell to the youth under the age of 18.
